SUPPORTING SAILORS, MARINES AND THEIR FAMILIES FOR LIFE

The Royal Navy and Royal Marines Charity is the principal charity of the Royal Navy. We exist to support sailors, marines, and their families, for life. Beneficiaries lie at the heart of The Royal Navy and Royal Marines Charity's purpose. It is our duty to remain focused on their needs. Since 2007, we have funded projects and facilities that boost morale for those who serve today. We also distribute millions of pounds annually to military charities which care for the children, families and veterans of the Royal Navy and Royal Marines.

Payroll Giving in Action

Payroll Giving in Action is a Professional Fundraising Organisation that assists employers and employees with Payroll Giving for the benefit of any charity. We promote the concept of individuals supporting any charity they wish, not just the charities that PGiA represents. We actively represent 200 charities that we are funded by, but facilitate and support donations to any UK charity or registered good cause.

The average life of a Payroll Giver is 6-7 years. Since April 1 2020, our work our work resulted in the recruitment of new Payroll Giving donors pledging to donate in the region of £22.6million. Our remuneration for generating this income was £155,000, equating to a fee of 0.069p for every £1 generated. This amount funds our premises, 8 office staff and 14 presenters who visit workplaces.
